THE IACR/EACR EARLY CAREER RESEARCHER SYMPOSIUM AND WORKSHOP 2020

SESSION 1	THE JUNIOR COUNCIL SESSION THE MOVE FROM ACADEMIA TO INDUSTRY
11:00 - 12:30	Is industry for you? Hear from four speakers who have made the move from biomedical PhD to industry. Includes Q&A session.
	Tea / Coffee Break
SESSION 2	THE MOBILITY EXPERIENCE
12:45 - 14:00	Two EACR Fellows and the 2019 IACR AOIFA Mobility Awardee explain why you should apply for a travel fellowship. Includes Q&A session.
14:00 - 15:00	Lunch Announcement of grant calls associated with charities/bodies present.
15:00 - 16:00	POSTER SESSION 1
SESSION 3	WORKSHOPS
	Each hour will see two workshops run in parallel, choose your topic of interest! 35 participants max/workshop.
16:00 - 17:00	(1) Grant writing (2) PPI and Research
17:00 - 18:00	(3) Communication-Elevator Pitch (4) Leadership
SESSION 4	THE PATRICK G. JOHNSTON AWARD FOR EXCELLENCE IN CANCER RESEARCH OUTREACH
18:00 - 19:00	Six early career researchers will be selected based on their lay abstract submissions to IACR 2020. Those selected will be provided with a patient communication workshop prior to IACR 2020 and asked to prepare a lay presentation on their work. Presentations will be delivered to peers and a lay audience at The Patrick G. Johnston Award For Excellence In Cancer Research Outreach event. The winner will be chosen by the audience and a judging panel.
19:00	Close
